# Finance and Public Administration Committee

To consider and report on the following (and any additional matter added under Rule 6.1.5A)—

- (a) any report or other document containing proposals for, or budgets of, public revenue or expenditure or proposals for the making of a Scottish rate resolution, taking into account any report or recommendations concerning such documents made by any other committee with power to consider such documents or any part of them;
  - (b) any report made by a committee setting out proposals concerning public revenue or expenditure;
  - (c) Budget Bills; and
  - (d) any other matter relating to or affecting the revenue or expenditure of the Scottish Administration or other monies payable into or expenditure payable out of the Scottish Consolidated Fund.
  - (e) any other matter falling within the responsibility of the Scottish Administration relating to the National Performance Framework, public inquiries, and public administration; and proposals for the formation and budgets of officeholders established by the Parliament.
2. The Committee may also consider and, where it sees fit, report to the Parliament on the timetable for the Stages of Budget Bills and on the handling of financial business.
3. In these Rules, “public expenditure” means expenditure of the Scottish Administration, other expenditure payable out of the Scottish Consolidated Fund and any other expenditure met out of taxes, charges and other public revenue.

# Introduction

1. *orem Ipsum* is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since 1966, when designers at Letraset and James Mosley, the librarian at St Bride Printing Library in London, took a 1914 Cicero translation and scrambled it to make dummy text for Letraset's Body Type sheets. It has survived not only many decades, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised thanks to these sheets and more recently with desktop publishing software including versions of Lorem Ipsum.
